CGI Windows & Doors Launches New Web Site

Have you seen our new Web site at www.cgijwindows.com? Please take a look! We've revamped the entire site to be more visually appealing and easier to navigate than ever before. Easy-to-read information points, enhanced graphics, well-marked tabs, a photo gallery, complete company contact information – everything you need, right at your fingertips.

If you're active in social media, we've made it easier to stay in touch with CGI through quick links to us on Facebook, Twitter, Google+, Pinterest, Instagram and Houzz. For the most updated information from CGI, check out the news section at the bottom of the home page.

Please feel free to link your Web page and/or your social media sites to ours; we'll gladly link right back to you!

Newest Product Update:

[Sentinel Series 238 Casement Window](#)

This industry-leading casement already offers design pressures up to +110/-194.3 PSF, matching sightlines to project out windows, double weather stripping and extruded snap on square glazing beads. The addition of a new stainless steel operator now completes the package. The operator, just like the one on the [Estate 238 Casement Window](#), is a significant upgrade and offers product continuity and a clean design.

Contemporary Stainless Steel Operator with Nesting Handle

In 2013 CGI has also updated our [Sentinel Series 150 Sliding Glass Doors](#), premiered a new value-priced [Sentinel Series 160 French Door](#), and updated the [Estate Series 238 Casement](#) to a standard Stainless Steel nested handle and single action multipoint lock.

CGI Windows and Doors in the Community

CGI Windows & Doors was proud to be a sponsor of the recent Canstruction® event held in Palm Beach in June.

Canstruction is based on using one can of food as a catalyst for change. This unique nonprofit organization holds annual competitions, exhibitions, and events showcasing colossal structures made entirely from full cans of food. After the structures are built, judged, and winners declared, the creations go on view to the general public as giant, unique art exhibits. At the close of competition, the Cansculptures™ are dismantled and all cans are donated to local food banks for distribution to community emergency feeding programs. Since 1992, Canstruction has contributed over 17.5 million pounds of food to community food banks.

Important Notice

CGI has made a few updates to our **warranty** and registration options.

We have removed the coastal exclusion on our ESP warranty. No matter where the project is located our 3 year ESP warranty applies.

The newest warranty can be found on the [warranty](#) page of www.cgiwindows.com

We have also updated the ways a customer can register their warranty. Options include: Fax your completed registration to 305.593.6592, scan your registration and email it to warranty@cgiwindows.com, or fill out the form on our [site](#).

CGI New Collateral

The [New Estate Collection brochures](#) arrived featuring:

New Estate Advantages Spread- **See the Difference Superior Engineering Makes**

A section on **How to Select Glass**

Event Corner

The [AIA FL Annual Convention](#) is August 8th-10th in Orlando. As Ruby sponsors CGI will be hosting a free **Desserts party on the 8th and sponsoring the Golf Tournament on the 9th. We'll also be giving away 3 iPad minis. Come see us for your chance to win!**

Some of the events CGI has participated in over the last few months include: Golf Tournaments with the [AIA Tampa](#) and [AIA Miami](#) chapters as well as the [Collier Building Industry Association](#).

Special thanks to **AIA Miami** for making CGI their **June Partner of the Month**. As Partner of the Month CGI was recognized at the June meeting attended by over 80 architects and design professionals.

We also held Continuing Education Classes in Florida and Georgia. Our Miami class had over 50 attendees!

If you would like to find out more about our continuing education classes, please contact ocordova@cgiwindows.com.

We also participated in the Ft. Lauderdale and Coral Gables Home Show among others. The Miami Home Show takes place in August and we look forward to participating again this year.

CGI Windows and Doors in the News

CGI Windows & Doors has received some great news coverage recently! Check out the following

CGI EMPLOYEE SPOTLIGHT!

Oscar E. Cordova, Sr. -
Director of Architectural Services
16 years with CGI

1. Favorite vacation spot?
Europe

2. Favorite food?
Serrano Ham & Manchego Cheese Sandwich (with great crusty bread) & a good red wine!

3. Favorite movie?
Papillon

4. Favorite CGI product?
Our 238 product line which includes the Casement, Fixed & Project Out. This has been our "work horse" from the beginning especially because of its architecturally correct sightlines & proven performance.

5. Favorite quote?
"The best way to cheer yourself up is to try and cheer somebody else up"-
Mark Twain
