Employee Spotlight

Tony Prummel

Senior Architectural Sales Representative

6 years with CGI

1. Favorite vacation?

The Rocky Mountains

2. Favorite food?

Indonesian. Growing up in the Netherlands I was exposed to this wonderful cuisine and my wife, who is also Dutch and a great cook, spoils me with an Indonesian meal a couple of times a year.

3. Favorite movie?

Fargo

4. Favorite CGI product?

My favorite CGI product is the 450 door with the 450 true transom. This product offers the best of both worlds. It has the beauty of wood, yet the strength and durability of commercial grade aluminum. The transom, which is integrated, highlights the door's beautiful sightlines unlike any other aluminum product on the market. Furthermore, the 450 door is so versatile it can be used in almost any application, with various finishes from every day white to beautiful wood grains, bottom panel options, a wide array of iron grills and glass types.

5. Favorite quote?

"Zaken zijn als Kruiwagens; Zij staan stil als niemand ze voortduwt". Roughly translated it means: "Business is like a wheelbarrow; it stands still if no one pushes it".
